Re: Patti-Ann Mine
ACT/037/003

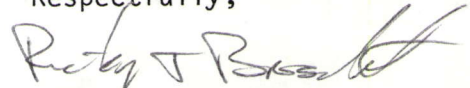

Dear Mr. Tetting:

I am writing in response to your June 7, 1982 letter concerning a file review for the above referenced mine. I have found no major changes with the application history as you wrote it.

As you requested, I've enclosed a copy of the 1980 annual operations and progress report for this mine. I was unable to locate the 1977 annual report, however, I am enclosing a copy of the cover letter under which it was sent and a copy of the Division's acknowledgement of it's receipt. The surface map submitted with the amendment filed on January 21, 1980 is current and does not require updating.

This should serve to finalize the Patti-Ann mine file review, please contact me with any questions you may have.

Respectfully,

Ricky J. Broschat
